COMPANY PROFILE

(a member of GROVER GROUP OF INDUSTRIES)

The GROUP:

It was established in the year 1959 that the group made its humble beginning as a dealer of surgical, medical, school and laboratory equipment from INDIA. With the passage of time and its commitment to quality, it began to make its presence felt not just in the domestic market but also in the overseas. The year 1982 saw the commencement of its manufacturing activities and has never looked back since. Now total current capital is US Dollars 1500,000.00

Supported by a sound and high quality vendor profile, the group is also now a reputed name for all Scientific Lab Teaching Aids & medical / Hospital products.

Manufacturing Facilities:

The Group employs 800 people from Top Level Highly Qualified professional such as Engineer's, MBA's skilled Supervisors, Quality Inspectors etc. right down to its highly skilled work force in which 150 of them belong to GST Corporation Ltd.' Most of the Manufacturing units are of state of art facilities set up in the Northern part of India as below:

Facility	Address
GST (OFFICE)	B-13 Okhla Ph-2 New Delhi., INDIA
GST (WORKS)	416, Udhyog Vihar, Gurgaon, Phase-4, INDIA
Paramount Surgimed Ltd.	A-106 Ricco chowk, Bhiwadi , Rajasthan, INDIA
United Poly Engg.	D 13/3 Okhla Phase -2 New Delhi, INDIA

GST Corporation Ltd is a partnership firm with the equal rights of four partners as below:

Mr. R.N. Grover
Mr. Manu Grover
Mr. Shailly Grover
Mr. Ashish Grover

Sphere of Operations:

The group exports its complete production / products into the international market directly to importers, buyers, institutions, Semi -Government / Government organizations, NGO's , Various European & African tender & various United Nations Organizations like IAPSO, UNFPA, UNPD etc. bidding companies offering Int'l Bids as a back end supplier. Since the start Of year 2003 it has further Expanded its options by starting its own Tender Division for bidding in the International TENDER Bids Directly for both lots as well as turnkey projects as the prices & support directly offered to the Tender board & committee is far better, offering a higher chance of an successful bid

Marketing Profile:

The group specializes in catering to the specific needs of the private buyers, international government agencies etc. for Hospital supplies (consumables durables furniture etc.) School, Lab teaching Aids. We are regularly exporting our products to USA, Canada, E.U countries, and Middle East Africa, South East Asia, Far East Asian and Latin American countries and has an active customer base of nearly 300 Private / Semi private / governmental institutions, organization, importers, buyers worldwide. However, since the group does not believe in resting on its laurels, it participates in almost every major Trade Fair and Exhibition on all the continents, just to keep abreast with the latest developments and innovations in its field of medical, surgical and scientific equipment and also to gain a deeper understanding of its buyers' needs.

International Certifications:

In its sustained endeavor to constantly upgrade its technology and achieve higher levels of quality & price competitiveness. Most of its facilities are ISO – 9001:2000 Manufacturing facilities alongwith a lot of its medical devices being CE marked for the European union & FDA Approved for the United states. (see annexed – certificates)

U S P / Advantages

What makes the group as an attractive option to its buyers is its ability to provide a vast range of (nearly 2000) products at most comparative prices under one roof, resulting in considerable saving of precious time and money to the buyer as the buyer does not have to procure his varied requirement from various suppliers in the international market. This, to the buyer means a saving in logistics, organizational, administrative and banking costs. Equally importantly, he does not need to worry about the quality of the merchandise he is buying.
