

# Kange Children Ministries

Mayuge, Uganda  
East Africa

Dear Friends and Supporters,

We hope this message finds you well. We're reaching out to you on behalf of **Kange Children Ministries**, a non-profit organization deeply committed to improving the lives of orphans and vulnerable children in Uganda.

1. We operate the Kange Day and Boarding Primary School in Mayuge town council, located directly opposite Dr. Mwima Medical Centre. Here, we provide quality education to children from impoverished families, giving them a chance to break the cycle of poverty.
2. We believe in the right to health for all. That's why we extend healthcare services to the most vulnerable people in our community, ensuring they have access to the medical support they need.
3. We understand that our elders are often overlooked. We strive to provide them with the care and support that they need and deserve in their twilight years.
4. Our faith guides us, and through our support of church outreach ministries, we work towards creating a more compassionate and understanding community.

Our work is made possible by the generosity of people around the world, and our dear partners. We invite you to join us in this mission of helping orphans, vulnerable children, elderly people, and supporting church ministries in Uganda. Any contribution, big or small, can make a significant difference in someone's life.

God bless you all for your kindness and generosity.
